CONFREDA'S FUNDRAISING IS THE RECIPE FOR CASH

We Offer Traditional Products That are Easy to Sell!

DETERMINE YOUR DATES:

You will need to set a cutoff date for taking orders and a handout date for customers to receive their items; this means you need to work backwards. Think about “When do you want to hand out the Frozen goods?” “How long are you giving your group to sell?” Be sure to leave yourself extra days to collect and calculate everything.
