CONFREDA'S FUNDRAISING IS THE RECIPE FOR CASH

We Offer Traditional Products That are Easy to Sell!

DETERMINE YOUR DATES:

You will need to set a cutoff date for taking orders and a handout date for customers to receive their items; this means you need to work backwards. Think about “When do you want to hand out the baked goods?” “How long are you giving your group to sell?” Be sure to leave yourself extra days to collect and calculate everything.

PRICING STRUCTURE

Suggested Retail On Pies **\$16.99 to \$21.99**

Suggested Retail On Donuts **\$6.99 to \$8.99**

The Orders must be placed with Confreda's at least 7 days prior to your pick up date. The minimum order is 25 pies for a fundraising discount. Pickup times are scheduled by appointment only.

The Total balance is due on pickup. We do not deliver, or pass out the pies to each person that may have placed an order. We require the pies to be picked up at one time for the bulk discount. All pies sold individually with the proper labeling and dates. Nutritional information is available upon request.
